June 07, 2019

ST. HELEN'S MEAT PACKERS LIMITED

1-3 Glen Scarlett Road
Toronto, ON M6N 1P5
CANADA

To Whom It May Concern:

This is to confirm that the Islamic Food and Nutrition Council of Canada (IFANCC) supervise and certify Beef products produced at St. Helen's Meat Packers Limited, Toronto, Ontario (CFIA Establishment Nos. 11 and 20). The IFANCC Registration is renewed on annual basis.

The animal, from which the beef is derived, is slaughtered with a sharp knife by a certified Muslim Slaughterer while pronouncing **Tasmiyah** and **Takbir** on each animal, according to the Islamic Law. The animals are not stunned prior to slaughtering. A qualified Halal Inspector visits the slaughtering facility every week without any prior notice.

The third party food safety and animal welfare programme are in place.

The beef products are certified to be **Zabiha Halal** and fit for Muslim consumption. The Halal Slaughtering Certificates are normally issued for each Halal batch.
